Synopsis:

Added: Feb 08, 2010 2:37 pm

The 580 ACSG / GFKAB has a requirement for an acquisition in support of the HH-60G Combat Search and Rescue Helicopter Lightweight Airborne Recovery System (LARS) modification system. This requirement is considered to be Sole Source to Cubic Defense Applications (CAGE: 94987). There is a basic period with one annual option. A Cost Plus Fixed Fee type contract is contemplated. This requirement is for NRE, Trial Kit and Install, Kitproof Kit and Install, and 98 EA production kits with a first annual option for interim contractor support. Authority: 10 U.S.C. 2304(c)(1) as implemented by FAR 6.302-1, only one or a limited number of responsible sources, and no other supplies or services will satisfy agency requirements. The proposed contract action is for supplies and services for which the Government intends to solicit and negotiate with only one, or a limited number of sources under the authority of FAR 6.302. Interested persons may identify their interest and capability to respond to the requirement or submit proposals. This notice of intent is not a requirement for competitive proposals. A determination by the Government not to compete this proposed contract based upon responses to this notice is solely within the discretion of the Government. Specifications, plans, or drawings relating to the procurement described are incomplete or not available and cannot be furnished by the Government. Destination is to be determined. Delivery: 12 months ARO contract. Only newly manufactured material will be considered. Electronic procedures will be used for this solicitation; request a solicitation from <http://www.fedbizopps.gov/>. Approximate solicitation date is 23 February 2010. All potential offerors should contact the buyer, Cynthia C. Smith at 478-926-2409, for additional information and/or to communicate concerns, if any, regarding this acquisition.
